Dear Wendell:

You will find attached copies of Contract IK-4666 for Contracts Division and Budget & Finance Branch. The concurrence memorandum is also included for review and execution.

I understand that [] has already submitted the first invoice and that it is presently being held at Headquarters waiting for the signed copy of the contract. It would, therefore, be appreciated if you would get the finance copy to Budget & Finance Branch as soon as possible.

The memorandum of negotiation will follow shortly.

Sincerely,
